

Sports Premium
Statement of use 2015-2016
And proposed use of allocation in 2016-2017

“Schools are free to determine how best to use this funding to improve the **quality** and **breadth** of PE and sport provision, including **increasing participation** in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.”

(OFSTED Inspecting Primary School PE and School Sport – September 2013)

As a school we have always placed a great emphasis on PE and are proud of our overall provision, commitment to improving facilities and success in competitive events over the past few years.

During 2015-2016 Isaac Newton Primary School was allocated over £10,000 to improve the quality and breadth of PE within the school. This has been used in partnership with Inspire+ (a local sports charity) in order to:

1. Procure the services of specialist PE teachers and coaches in order to develop the provision within school
2. Begin to utilise Real PE scheme of work and observe specialist teachers over various groups
3. Compete in tournaments so that children can experience a range of competition throughout years 2-6
4. Enhance extra-curricular activity in the form of clubs
5. To enhance the facilities in school – buying equipment and enhancing outside sports areas.
6. Provide opportunities that raise awareness of healthy lifestyles and specific values that the school wishes to develop – especially within sports
7. Provide places on trips/residentials where pupils participate in adventurous activities
8. Improve links with external clubs to increase the range of sports in which pupils participate

The results of this investment were:

- Pupils received specialist training in sports that would otherwise be impossible to provide
- Children were able to participate in an increased range of sports clubs
- Children attended an increased number of competitive sporting events/tournaments
- Children were given aspirations and positive role models – Paralympian Sam Ruddock, Olympian Sophie Allen, Ben Smith (401 Marathon), Sarah Outen homecoming.
- Pupils in Year 5 were given the opportunity to take part in outdoor adventurous activities, prior to the Year 6 residential trip

- Links with external clubs have increased, allowing children to increase their participation
- Staff were given the opportunity to observe specialists delivering lessons and take part in full staff training sessions. This has increased and upskilled teachers in delivering high quality PE lessons

Proposed Use of the Sports Premium 2016-2017

In 2016-2017 Isaac Newton School will again receive over £10,000 through the sports premium. This will be used in partnership with in order to:

1. Pay a teacher within school to develop the quality of P.E. delivery and liaise with other clubs/coordinators
2. Procure the services of specialist PE teachers and coaches to develop the provision within school.
3. Compete in tournaments so that children can experience a range of competition throughout years 3-6.
4. Enhance extra-curricular activity in the form of clubs
5. To enhance the facilities in school - buying equipment and enhancing outside sports areas.
6. Present inspiring assemblies focusing on healthy lifestyles and specific values that the school wishes to develop – especially within sports
7. Meet amateur and professional sportspeople
8. Provide places on trips where pupils participate in adventurous activities
9. Increase the range of sports in which pupils participate (gymnastics)
10. Train teachers, increasing their understanding of PE and the quality of the provision within the school through use of Real Gym.
11. Allow access to sports that are outside the boundaries of the provision within school (such as rock climbing)
12. Have a one day visit to an outdoor adventurous activities camp for pupils in year 5 – increasing familiarity prior to signing up for the residential visit.
