

# 'Mighty Mountains'

Year 5/6 - Spring 2016

## Mini homework projects

Over the term, pupils will have the opportunity to research, design and create:

|  |   |  |
|--|---|--|
| Artwork  | Draw/paint a mountain scene   |  |
| Create a fact file for a new imaginary mountain animal | Draw or make a new mountain animal.<br>Create a factfile that describes it. |  |
| Mini-project   | Choose a world mountain and research facts for a project booklet.           |  |
| Plants and flowers                                     | Create own flower artwork   |  |
| Lifecycles   | Create poster to represent a plant or animal lifecycles                     |  |

Your child should still **read regularly**, learn spellings and practise their **number facts and tables** at home. Occasionally, we will still send number work or sentence work home related to topics being covered in class.
