Dear Parents/Carer

Welcome back! We have had a great start to term 2. On Monday we had a staff training day. We looked at ways in which to make the curriculum even more exciting whilst ensuring that it fulfils the needs of all children.

On Wednesday and Thursday the Year 5 classes took it in turn to visit the Victorian School in Cressingham. They had a wonderful time and entered into the spirit of the day. As ever, we are looking forward to the work that they are now able to produce!

During the rest of the week we have had the builders on site. They have been putting additional soft playground surfacing on the KS2 playground (to link the trim trail to the play area) and on the Foundation Stage outdoor area in order to ensure that we make use of the entire space (the muddy bog now has a new soft surface!).

The attendance rate for last term was a record as we managed to achieve over 96%! The chart below shows how each class did:

We will be sending out the Parents/Carers Evening letters next week – please make sure that you book an appointment as we would love to discuss the progress that each child in the school is making.

PE Kits

Now that we are well into Autumn it is essential that pupils have appropriate PE kit for the outdoors. Can Parents/Carers please ensure that pupils have joggers and a long sleeved top for outdoor sessions. Please do not send hoodies as the hoods can easily catch on apparatus or be grabbed in certain sports.

Don't forget that the window for applying for a place in Reception opens on 14th November. If your child is 4 this school year (Sept 16 to August 17) then you need to apply for a place soon! If you would like to come for a visit or know anybody who does then just make an appointment at the school office.

Poppies – Remembrance Day

Each year the Royal British Legion distribute poppies throughout the nation. We always support the poppy appeal and use assembly to explain the significance of Remembrance Day. As such, we are currently collecting donations for poppies. Children simply need to bring a suitable donation to school.

Years 1 and 2 Owl Visit

To begin our Owl topic in KS1, on **Monday 7th November** we will be having two beautiful owls come and visit us for the morning. We will learn about how owls see in the dark, where they live and what they like to eat. We will have the opportunity to ask questions to find out more about the owls, so have some questions ready!
