The weekly news from Isaac Newton School, Grantham

Issue: 009

Circulation: 340

Date: Friday 21st March 2014

Dear Parents/Carers

Thank you to those parents/carers who attended the meeting on Tuesday evening. It was great to see you there and to be able to answer questions about the HMI visit and our future academisation.

We understand that it is difficult for many parents/carers to make it to such meetings. As such, I have put a summary of the questions in the newsletter section of the school website. Please take a look. We will continue to hold a meeting following each HMI visit. In this way we will be able to keep you up to date with our progress.

Yesterday evening was the first meeting of the school's new Independent Education Board. The board will act in the role that the school governors fulfilled prior to our OfSTED inspection. It consists of 5 people, all of whom currently work in education. It is great that the IEB has formed as it will help to add the level of challenge and support that we need.

Finally, well done to the school football team. We played against Gonerby Hill Foot yesterday and I was impressed with the way in which our teams performed. This was especially the case in the second match where we came from two goals down to draw!

Paul Hill
Headteacher

PE Kit

Can all parents/carers please ensure that pupils have their P.E kits in school. P.E is a brilliant part of the curriculum and an important part of the pupils learning.

Pupils from other schools on site

During the last two weeks there have been a number of issues with pupils from other schools entering our grounds without the supervision of a parent/carer. We understand that pupils will enter the site but request that they remain under adult supervision at all times. We will be in a difficult position should such incidents continue and would not like to prevent any pupils from other schools from entering. However we have a duty to ensure that Isaac Newton pupils receive the best role models possible and will not be able to allow pupils on site if they set a bad example.

Parent Helpers

So far we have received a lot of responses to our parent helper request. Please complete the form below if you would like to help out in school. Mr Hill will then be in touch.

I would like to help out in school at a regular weekly time:

Name: _____

Name of you child: _____

Child's Class: _____

Once we have collected all of the responses Mr Hill will contact you.

Table Tennis

At the beginning of the week a number of pupils in the Juniors were fortunate enough to attend a table tennis session with the Great Britain Paralympic Table Tennis Team. The pupils behaved brilliantly and we are grateful to Mrs Walker for organising it.
