Date: Friday 5th June 2015

Dear Parents/Carers

Welcome back! It seems like a long time since the KS1 Jungle Sale. I am sure everybody who attended will agree that it was brilliant and that the children did a fantastic job in making the stock. We raised a total of £345 with Year 1 managing to make the most money!

We are delighted to see more and more children cycling to school since Dr Bike visited last term. We will be checking the numbers intermittently. The more bikes we get, the more chance of us getting a new larger bike shed for the school. Well done to all of the children in the school rounders team. They were in action at a local Tournament yesterday and came 6th. They played brilliantly and showed Isaac Newton's usual high standards of behaviour.

Finally, PE has been really exciting this week with a number of children getting to experience wheelchair sports. We were delighted that Inspire+ (a local sports charity) has been able to loan us the wheelchairs in order to allow children to experience sports in which they would not usually be able to participate.

Attendance

We are currently just on track to beat our attendance record for the year. It would be great if we were able to do this – the more days that pupils spend in school the greater their progress will be. The chart below shows how each class did last

Arriving Early At School

Lately a number Parents/Carers have been arriving really early at the end of the day in order to collect their children. Some as early as 45 minutes prior to the collection time! Please remember that we need to keep the site secure until the school gates are officially opened to allow Parents/Carers in.

School Bank

At present we have just 6 regular customers for the school bank. If we are unable to increase this then we may need to stop running the bank at the end of term. If you have a savings book then please try and put some money into your account soon – even if it is just 10p. This will help us to ensure that we are able to keep the service running. Due to changes in the law we are unable to open new accounts at school. If you would like to open an account for your child you can just pop into the “Nottingham Building Society” on the High Street with your birth certificate as evidence to open an account.

Calling if child is absent

Please remember to call the school office if your child is going to be absent.

Uniform

A number of pupils are still coming to school in trainers – please remember that school uniform requires school shoes.

Swap Shop

The Swap Shop has been doing so brilliantly that we are running out of stock. If you have any good quality uniform that your child has grown out of and you are able to donate then please hand it in to the school office

Library Raffle

Don't forget to buy your raffle ticket from the office for £1. The final cash prize will be based upon the number of tickets sold!

Dates for your diary:

8th June	Cairo Dancing Y3/4
