Date: Friday 16th June 2017

Dear Parents/Carer

This week has been extremely busy for the staff here at school. During this time of year teachers are submitting pupils' results and writing their reports. On Wednesday we had a moderation visit from the Local Authority. Two moderators came to look at the writing in Year 6. I am delighted to report that they agreed with each of our judgements and praised the vocabulary that our pupils use! The Foundation Stage pupils have made incredible progress this year and we are also amazed at the way in which the Year 1 pupils performed in their phonics test. Results throughout the school reflect the improvements that we continue to make year on year and show what a talented staff we have. That said – **results are not everything** and we continue to ensure that we focus on personal and social development alongside academic progress and achievement.

Finally, yesterday in Years 5 and 6 we were fortunate enough to have a special assembly with Chris Lubbe who was a bodyguard for Nelson Mandela. It was an amazing experience where we learned about speaking out where there is injustice, challenging all forms of racism and the power of forgiveness.

Paul Hill
Headteacher

Paul Hill

Cricket Tournament

Well done to the school cricket team who competed in the Grantham Schools' Tournament yesterday. Each pupil played brilliantly and we are delighted with the way in which they represented the school.

Bikes and Scooters

Can all Parents and Carers please ensure that children are parking their bikes and scooters in the bike shed immediately upon arriving at school. Bikes and scooters should not be ridden in the school playgrounds. We have had a number of near misses since the weather has improved and we would hate for somebody to be injured.

School Library Books competition:

Now that the library is open we need even more books! Please follow the link below or use the QR code to vote for Isaac Newton Primary School to win £5,000 for our school library.

E-SAFETY

Our website includes the CEOP report button (at the bottom of each page. This is great as:

- Children and adults can report suspicious individuals or behaviour directly to law enforcement quickly and easily
- Any reporting goes directly to an intelligence centre and the team there are then in best place to analyse, assess and take appropriate action according to the perceived risk and threat to an individual child
- Information and analysis of these reports can then shape the future development of your services reducing the potential threat and harm to children online

If you're ever worried about online threats then this is a great place to report them.
