

SCHOOL GAMES MARK 2018/19 CRITERIA

The School Games Mark is now in its 8th year and continues to reward schools and other educational establishments for their commitment to and development of competition, school sport, physical education and physical activity. The following criteria will help all institutions assess themselves across bronze, silver and gold levels of the award and, for those schools that can demonstrate a sustained high level of delivery, the Platinum award.

School Games Mark is directly linked to a schools engagement in the School Games. This needs to reflect a broad and balanced offer that actively encourages those young people that aren't currently engaged or who are engaged less often. This isn't about provision for a small cohort of young people but needs to consider ALL the school's population.

In order to achieve any level of the School Games Mark, schools and educational establishments for the academic year 2018/19 must meet the following prerequisites for young people in years 3-13:

Increasing Engagement in School Games

- Have a system in place to track young people's participation in the School Games inclusive of physical activity.
- Have tailored opportunities that attract less active young people to participate in physical activity.
- Have completed the Inclusive Health Check tool as accessed on your school's dashboard on www.yourschoolgames.com. This is available end of November 2018. It is recommended that this is completed by the end of the Spring Term 2019.
- Have a member of staff who has actively engaged with their School Games Organiser (SGO) as part of your Physical Activity CPD.
- **Primary Schools Only** – Have registered on www.activeschoolplanner.org. It is recommended that this is done by the end of the Autumn Term 2018.
- Have positioned 'personal challenge' as a key component of your School Games provision.

Developing Competitive Opportunities

- Have held or accessed a School Games Day that has a clear cultural component as a culmination of a year round competition programme and the date on your dashboard on www.yourschoolgames.com. It is recommended that this is done by the end of the Autumn Term 2018.
- Have a calendar that demonstrates opportunities for all young people with SEND and other targeted groups particular to your school (for example BAME, Free School Meals, LGBT, Inactive) to take part in competitions and festivals.
- Have a notice board and/or in house school digital system that promotes School Games activity and uses social media for the same purpose.
- Have maximised the School Games Values or your School values to support the competition and festival experience for all young people.

N.B School Games Mark applications should not include any KS1 provision and is not open to infant only schools.

Evidence will be required for all levels achieved and will be verified by your School Games Organiser – start your conversations now with your SGO.

All queries for School Games Mark need to be directed to info@yourschoolgames.com

Please ensure that you involve your School Games Organiser in developing your application – it is their role to verify them so the more involved they are the better placed they are to verify.

Please ensure that you involve your School Games Organiser when completing your application, as they will need to write a supporting statement endorsing your Platinum application.

PLATINUM LEVEL

To achieve the PLATINUM LEVEL in 2018/19, your educational setting must have successfully held a Gold award during the academic years 2014/15, 2015/16, 2016/17, 2017/18 consecutively and achieve Gold during 2018/19 as well demonstrating your school's achievements through case study evidence around one of the following areas:

- 1 How have you involved your pupils in planning and delivering your competition offer?**
- 2 How do you support exit routes for your young people into community activities?**
- 3 How have you demonstrated a holistic whole school approach to delivering physical activity in line with the Chief Medical Officer's (CMO) recommendation of a minimum of 60 active minutes a day?**

Please consider within your responses:

- What the outcome was for your school.
- How you set out to achieve this.
- What the impact has been on young people.
- What your three top tips would be for other schools to go about bringing this change.
- How you have engaged with your School Games Organiser.

All case study evidence can be supported by videos, photos etc. These need to be uploaded into the application and/or links provided.

All Platinum applications will need a supporting paragraph from your School Games Organiser and will then be verified externally.

All schools eligible to apply for Platinum need to do so as you apply for Gold; once your Gold application has been verified then we will look through your Platinum evidence.

All successful Platinum schools are awarded for two years and therefore schools who applied last year will not be required to undertake an application for either Gold or Platinum in the academic year 2018/19 and likewise successful schools in 2018/19 won't need to apply during 2019/20.
