

French activities

May 2020

Bonjour mes amis!

I hope you are all OK and getting on well during lockdown. Here are a few more French activities for you to do at home, this time based on food and what your preferences might be. I've also included a few songs that I think you will enjoy!

Au petit déjeuner. (Breakfast time)

Song :

Listen to the song on youtube, and work out the meaning of the food that they are eating.

Activity sheet: Breakfast – label the food, look at how each word is pronounced to help you.

I like fruits!

Song – J'aime les fruits

<https://youtu.be/nJ03KjwiIVM>

Listen carefully to the song and repeat the different types of fruit.

What does J'aime mean?

Fruit Preferences

J'aime, Je n'aime pas. (I like, I don't like...)

Activity sheet: Colour the fruit & veg in! Write the name of each fruit & veg in either the "j'aime" or "je n'aime pas" plate. Check their pronunciation on google translate.

Get creative!!

Design a poster on A4, or on the computer to show what fruit and food you like or don't like.

Wordsearch

Have a go at the wordsearch – you may need to use a dictionary to look up some new vocabulary!

Can you remember your colours?

Make a list of the fruit you have learnt – can you say what colour each fruit is?

Eg la banane – jaune

A bientôt
