

## Sports Premium Statement of allocation 2013-2014

“Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.”

(OFSTED Inspecting Primary School PE and School Sport – September 2013)

As a school we have always placed a great emphasis on PE and are proud of our overall provision, commitment to improving facilities and success in competitive events over the past few years.

During 2013-2014 Isaac Newton Primary School was allocated over £9,000 to improve the quality and breadth of PE within the school. This has been used in partnership with Inspire+ (a local sports charity) in order to:

1. Procure the services of specialist PE teachers and coaches to develop the provision within school.
2. Compete in tournaments so that children can experience a range of competition throughout years 3-6.
3. Enhance extra curricular activity in the form of clubs
4. To enhance the facilities in school - buying equipment and enhancing outside sports areas.
5. Present inspiring assemblies focusing on healthy lifestyles and specific values that the school wishes to develop – especially within sports

A more detailed analysis of the impact of this money will be produced at the end of the academic year.
